

BISTRO BISTRO

Dear Bistro Bistro customers,

We wanted to let you know that we are open for business as usual at present for lunch and dinner. Our serving hours are as per normal but, liquor will only be served until 18:00 from Mondays to Saturdays as per Government Legislation.

During this uncertain time for us all, we have put measurements in place at Bistro Bistro in accordance to governmental guidelines and are following their instructions accordingly, monitoring daily changes and updates.

There are no reported cases among any of our staff members at present but, here is what we are going to do to ensure we can protect you as much as possible:

- If you are feeling unwell in this current climate we ask that you postpone your visit with us until you're feeling better but, please let us know by cancelling if you have a booking.
- We ask for your help in washing your hands thoroughly as often as possible. Every single member of our team has committed to wash their hands every 20 minutes.
- We are cleaning and sanitizing all touched surfaces i.e. door handles, bathrooms, touch screens etc. every 2 hours.
- We will be seating all our guests on tables away from each other where possible.
- Team members will observe the 2 meter distance rule from guests and colleagues as much as possible as recommended by Government.

If you do not wish to dine in with us but still want our delicious food, then we can offer our take-away too. Give us a call on 013 013 0356

Thank you for your understanding and be safe!
